

tesa® 60422

PV0

Product Information

Heavy duty carton sealing tape

tesa® 60422 is a premium packaging tape based on a very strong PVC backing and a natural rubber adhesive. Even heavy boxes or boxes with multilayer cardboard with high flap tension can be closed safely. The tensile strength and elongation characteristics of the backing make the product resistant to high shock impacts.

Features

- Good adhesion even in recycled cartons
- Excellent tack and long-lasting adhesion
- Silent unwinding
- Ideal for storage in extreme temperature conditions and high moisture

Main Application

- Carton sealing of very heavy cartons or boxes with hazardous content
- Packaging, bundling and closing
- Brand showcase and advertisement purposed (printability)

Technical Information (average values)

The values in this section should be considered representative or typical only and should not be used for specification purposes.

Technical Data

• Backing material	PVC film	• Elongation at break	100 %
• Total thickness	88 µm	• Tensile strength	72 N/cm
• Type of adhesive	natural rubber		

Adhesion to
